

ICD-10-CM BOOT CAMP

1-2-3-4 MASA Code-Force, Fear No More!

December 10 & 11, 2013

Announcing an EXCLUSIVE OPPORTUNITY for MASA Coders & Billers!

MASA ICD-10 Boot Camp - Comprehensive ICD-10 education tailored to the ASC setting:

- ⇒ 12 hours (Full day and a half day) of comprehensive ICD-10-CM code set training led by instructor, Pat Schmitter, CPC, CPC-I
- ⇒ 12 CEUs (AAPC and/or AHIMA)
- ⇒ Curriculum will include: ICD-10-CM format, structure, cross-walking and mapping, as well as guidelines and nuances which set ICD-10 apart from ICD-9
- ⇒ ASC-specific examples and tips, including hands-on coding exercises and 25-question mock exam
- ⇒ Coders will be prepared to sit for the AAPC ICD-10 Proficiency Assessment.

Note: Coders advised to sit for the Proficiency Assessment at their earliest opportunity following the Boot Camp.

Cost: \$210.00 per attendee

Pat Schmitter, CPC, CPC-I
ICD-10 Instructor for VEI Consulting

With more than 30 years of experience, Pat has a strong background in government payer compliance and regulations as well as government and third-party payer enrollment and credentialing issues. Her current focus is education and training of the documentation and principles of transitioning from ICD-9-CM to ICD-10-CM for ICDExpert.net. Pat is a certified professional coder (CPC) accredited by the AAPC and a certified AAPC professional medical coding curriculum instructor of the principles of CPT and diagnosis coding (CPC-I). Pat is also an AHIMA approved trainer in the principles of ICD-10-CM.

MASA Boot Camp achievers win big with HDI's HIM tools!

Available ASC Applications & Services from HDI

- TruCode Encoder, ICD-10-CM Electronic Coding Tools "Code Quick with fewer Clicks"
- Health Notes Medical Transcription Services - Leave the typing to medical document professionals, and the clinical care to your physicians. "Dictate and chart quicker." Besides services, HDI offers professional dictation devices and systems.
- E-Forms, get rid of the paper. HDI Enterprise Forms Management (EFM) enables facilities to transform traditionally convoluted, paper form-centric processes into efficient, paperless workflows and valuable discrete data. Works with or without your EMR.

Please allow us to assist you with technology that drives the process while delivering improved clinical outcomes and financial results for your ASC.
